Bitacora de Estados Css

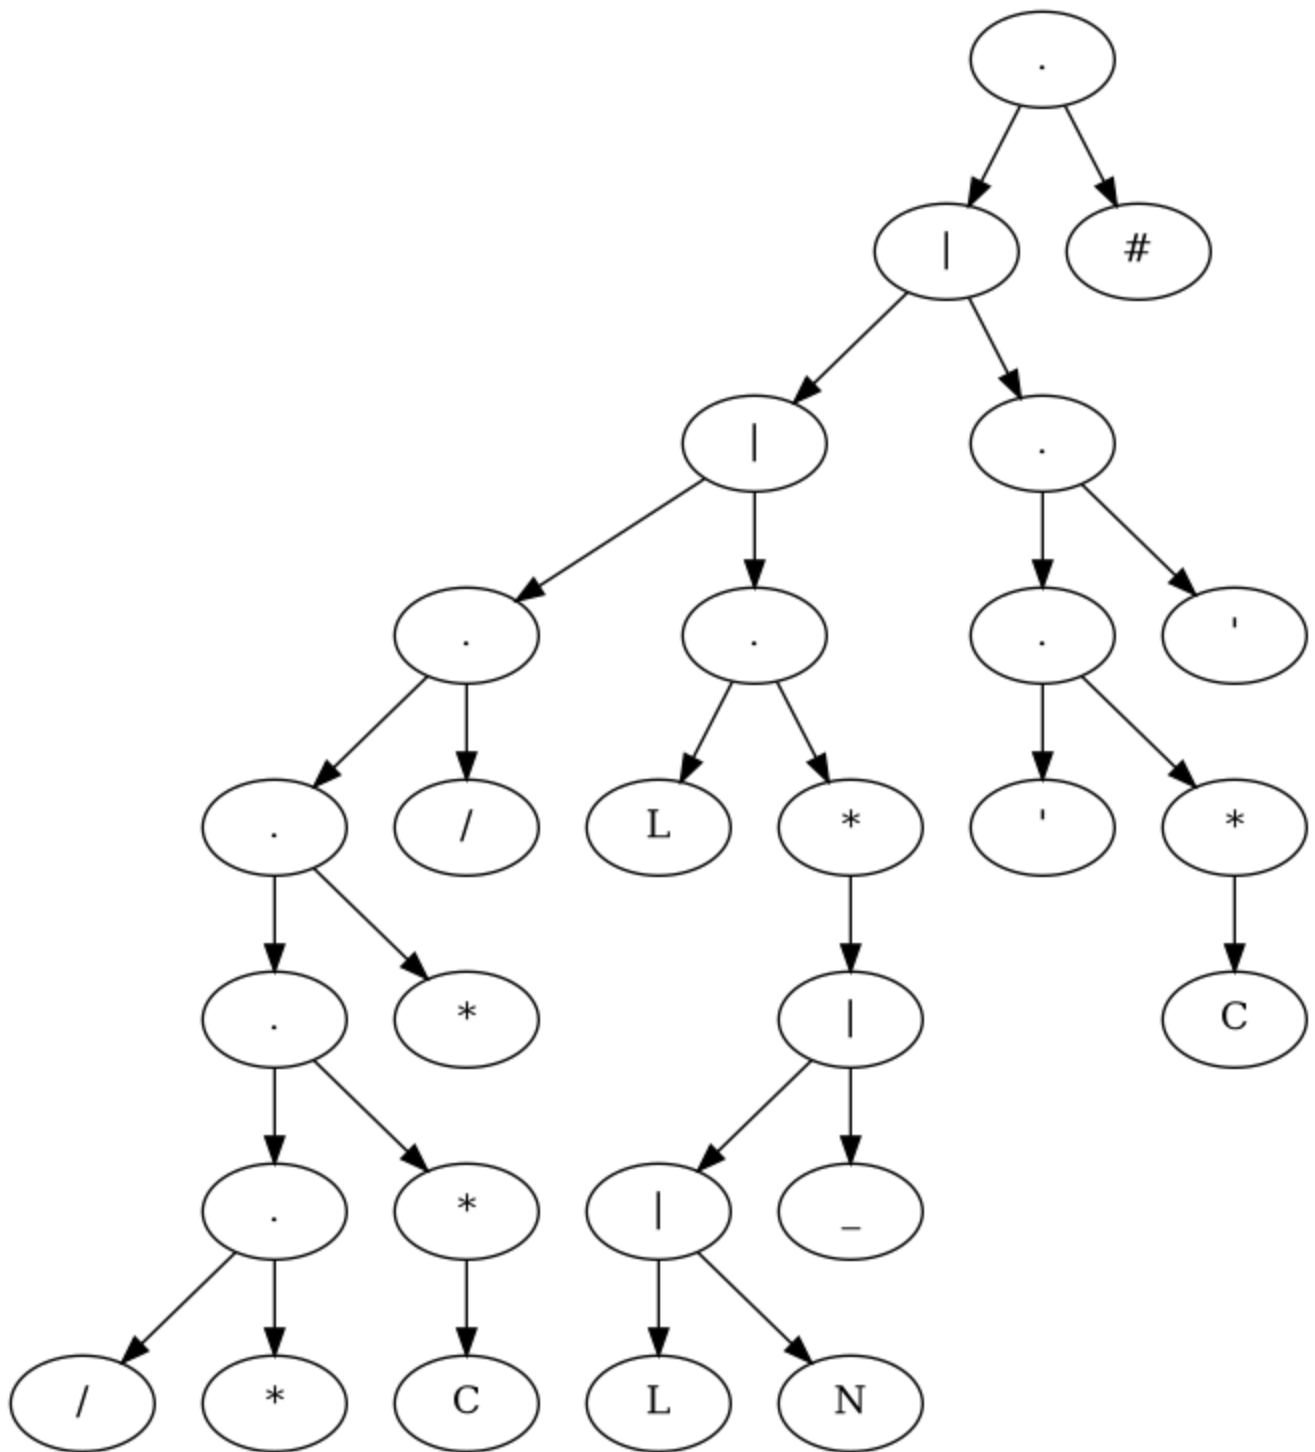

The image shows a web browser window with the title "Compiladores_1_Proyecto_1". The browser's address bar is empty. The page content is a simple HTML structure with a `body` and an `h1` element. The CSS code is defined in a `<style>` block. The `body` has a background color of `#0080ff` and the `h1` has a color of `#fff` and a font family of `Arial, Helvetica, sans-serif`. The browser's developer tools are open, showing the "Estado 0" (State 0) of the CSS rules. The console shows a series of messages: "Reconociendo Comentarios ===> Estado 7", "Reconociendo Comentarios =====> Estado 8", and "Reconociendo Comentarios =====> Estado 9". The "Estado 9" messages are repeated multiple times.
